## New Updated Schedule!!

### Thanksgiving Luncheon – Friday November 16, 2018

#### Arriving at Cafeteria:

Students will walk down with their teacher into the main hallway lobby. Upon entering the lobby there will be two clear signs directing classes to one of two lines. For grade levels with odd #s of classes - we will be dividing classes in half and sending each half to their assigned line. Parents will join their student in line – so please look out for your students’ arrival and direction their class is moving to join them in line.

Seating assignments: due to the wonderful turnout we always see on our Thanksgiving Luncheon, families will be allowed to sit at any table in the cafeteria. Peanut-Free & Egg-Free tables will be in use and labeled.

Dismissal from cafeteria: **During the last 5 minutes of each lunch** classes will depart from their tables, throw out trash and line up, exiting out the right-most glass door, up the ramp and back to class.

Parents will say their goodbyes in the front lobby as we make our way back to classrooms.
