

TIGERS ON THE MOVE

Friday Oct. 26, 2018

What is it?

Tigers on the Move is a Terraset Elementary School PTO Move-a-thon fundraiser. Students will ask friends and family to give a flat donation, of any size, to sponsor their movement in our Move-a-thon. All students will participate in Tigers on the Move by running, walking, skipping, and simply moving in any way they can think of along our rooftop track for 15 minutes during recess. We will have music to help get students moving and having fun, and popsicles to help them cool down after.

How can my student participate?

Students seek and collect donations and return them to school in an envelope that will be provided in the Tuesday folders. All students will participate in Tigers on the Move regardless of their fundraising effort. A grand prize of a limousine ride and lunch at Jersey Mikes with Ms. Trout will be given to the 4 top fundraisers and 4 students with the most donors. Each student will also be given a prize when they complete the event.

How can parents participate?

Parents can encourage their child to reach out to family and friends for donations and should mark their calendar and plan to come and cheer on our Tigers as they get moving. Parents/guardians are also encouraged to serve as enthusiastic volunteers at the Tigers on the Move event.

What happens to the money raised?

The money raised by Tigers on the Move will be used to support all educational endeavors of your children including, but not limited to, field trip transportation, special programs, teacher supplies, and much more!

How can we get started?

Mark your calendar and look for your donation envelope in the Tuesday Folder. Volunteer for the event by visiting www.Terrasetpto.org
